

Community

Pont-Masson is keen to get involved in the community. We believe that it is essential to share our resources and our know-how to build a better future for our children. Our commitment to the community is reflected in donations to various local organizations, and more particularly those helping children, relating to health or fighting against poverty and hunger. Therefore, requests related, for example, to trips or excursions do not correspond to our community mission.

If you wish to submit a sponsorship request for an event, a cause or an organization, please complete the form opposite. Any request not accompanied by the completed form will be automatically rejected. In addition, any sponsorship request must be sent to us at least 2 months before the event is held. Please allow 4-6 weeks for a response to your request.

Any request can be sent to your local branch, or by email to serviceclient@pontmasson.com indicating in the subject **Sponsorship request**.
